**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT (37 CFR 1.121)**  
**AND RE-SUBMISSION OF PRELIMINARY AMENDMENT**

Director of U.S. Patent and Trademark Office  
Washington, D. C. 20231

Sir:

In Response to the Notice of Non-Compliant Amendment mailed March 6, 2002, submitted herewith is a revised Preliminary Amendment and Appendix.

In the Notice, it was indicated that the Preliminary Amendment filed on December 7, 2001 was non-compliant as it allegedly omitted a marked-up version of the amended Abstract.

In the December 7, 2001 Preliminary Amendment, Applicants submitted an amended Abstract in which the original two paragraph format was replaced with a single paragraph as required by U.S. practice. A marked-up version of the Abstract was included with the Appendix to the Preliminary Amendment (see page A-1). Although it is not clear what the basis of the objection is, the objection apparently stems from the marked-up version of the Abstract in the Appendix not adequately reflecting the revision of the Abstract from two paragraphs to a single paragraph.

this, Applicants submit herewith a revised Preliminary Amendment in  
which the marked-up version of the Abstract reflects the changes made to the Abstract in a  
different, overt manner.

Applicants respectfully submit that the attached revised Preliminary Amendment is  
fully compliant with 37 CFR 1.121, and entry thereof is thus respectfully requested. Prompt  
and favorable examination on the merits is respectfully requested. The Examiner is invited to  
contact the undersigned representative to discuss any matter with respect to this application.

Respectfully submitted,
